

An indoor swimming pool with multiple lanes. The pool is surrounded by a white wall and a large seating area with yellow and blue seats. The ceiling is high with a complex white steel truss structure and numerous lights. A banner with blue, white, and red pennants hangs across the pool. Lane markers are visible in the water, and starting blocks are numbered along the edge of the pool.

Safeguarding and Protecting Children Seminar Feedback

"The tutors knowledge of the subject and the level at which the seminar was covered was absolutely spot on. In my opinion, the tutor covered above and beyond and she also fielded difficult and sometimes unusual questions in a faultless manner"

WHY EQUALITY IS IMPORTANT

Equality is ensuring individuals or groups of individuals are treated fairly and equally and no less favourably due to a characteristic that makes them an individual or part of an individual group. You can read more about the ASA's commitment to equality and diversity [here](#).
